

# GROW YOUR BUSINESS WITH TRANSLATION

*Our aim is to be the trusted partner for our clients through the provision of outstanding customer service and very high-quality output.*

## WHY USE US?

We know what goes into creating a good and valid assessment or exam, so that we understand your requirements.

We have translated millions of words in assessments, certifications, exams, questionnaires etc.

Our teams have been trained to identify potential challenges in the translation texts and provide recommendations.

We have robust and flexible methodologies, depending on our clients' needs.

## HOW CAN WE HELP?

We are an ISO-certified company with 18 years of experience that offers specialist translation, localization and adaptation services to organizations in many parts of the world.

## OUR SERVICES

We can provide a variety of different services and can cover many different file formats, so that we can handle all your requirements, whether big or small.
