

Commsmultilingual

Dependable • Flexible • Defensible

Ensure accuracy in global education research

Comms Multilingual is a UK-based, ISO-certified language partner with years of experience supporting organisations conducting international education studies and research across multiple languages. Our linguists specialise in education and ensure content aligns with the education system of the target country. We provide translation verification and linguistic quality assurance to help multilingual assessments, surveys and research materials remain accurate, culturally appropriate and consistent across languages.

- ✓ **Translation Verification**
- ✓ **Linguistic Validation**
- ✓ **SME (Subject Matter Expert) Review**
- ✓ **Bias & Cultural Review**
- ✓ **Translatability Review**
- ✓ **Multilingual DTP**
